

36th EORTC-NCI-AACR SYMPOSIUM

on molecular targets and cancer therapeutics
23-25 October 2024 | Barcelona, Spain

Residents-in-Training Grants:

Travel grants will be made available to young residents in training to facilitate their attendance to the ENA 2024 symposium.

Residents in training will be able to apply **for a maximum of 1.000 EUR** (including taxi fares), which will cover their travel and accommodation during the symposium and will receive a free registration.

To be eligible for the travel grant, an applicant must meet the following criteria:

- An applicant must be in training or out of training for no more than five years. Candidates who have had career disruptions are eligible, provided they are no more than 5 years full-time equivalent out of training. Training is defined as any clinical or post-graduate training.
- **An applicant must submit an abstract as first author** to the ENA 2024 symposium and must have primarily conducted the research presented in the abstract. Only applicants with an accepted abstract will be considered.

Applicants can apply for the grant at the time of abstract submission. When selected you must present your abstract at the ENA 2024 symposium.

- Provide a letter from the Head of the Department/Organisation stating that the applicant is not the recipient of any other financial support.
- Provide a one-page CV.

IMPORTANT NOTE!

- The deadline for **abstract submission** is Wednesday 26 June 2024.
- The deadline for receipt of **travel grant application** is Wednesday 26 June 2024.
