**38<sup>th</sup> EORTC – NCI – AACR SYMPOSIUM**  
**on molecular targets & cancer therapeutics**

18 – 20 November 2026  
CCIB, Barcelona, Spain

# Introduction

The **38<sup>th</sup> edition** of the **EORTC–NCI–AACR Symposium on Molecular Targets and Cancer Therapeutics** will take place at the **CCIB** in **Barcelona** from **18 – 20 November 2026**.

ENA 2026 is the 'go-to' **drug development** and **translational research** meeting, putting the spotlight on **pre-clinical** and **phase I studies**, and ensuring in-depth scientific discussions on the **latest developments** in targets and drugs.

We expect to welcome **1,200+ delegates** from across Europe and worldwide – including researchers, clinicians, industry experts, and policymakers – all driving progress in the field of drug discovery and early-stage development.

## Reasons to sponsor ENA 2026

### **Leading the way**

Driving the discussion on cancer drug development

### **Ground-breaking data**

Scientific evidence powering the latest progress

### **Networking**

Expand your global network

### **Influencing research**

Influence the future of clinical cancer research

# Welcome message

## Welcome to ENA 2026

On behalf of the organising committee, it is our pleasure to welcome you to the 38<sup>th</sup> EORTC-NCI-AACR Symposium on Molecular Targets and Cancer Therapeutics in Barcelona, Spain.

Hosted by EORTC, NCI and AACR, this unique symposium brings together over 1,200 global leaders from research, clinical practice, and industry to share cutting-edge advances in drug development and translational research that will shape the future of cancer care.

Your sponsorship plays a vital role in making this meeting possible. It not only supports the exchange of groundbreaking science but also fosters the collaboration between academia and industry that is essential to bringing new therapies to patients.

ENA 2026 offers you an unparalleled opportunity to engage with world-renowned experts, discover the latest innovations, and connect with key partners across the oncology community.

We sincerely thank you for your support and partnership, and we look forward to welcoming you to Barcelona.

Sincerely,

On behalf of the ENA 2026 Organising Committee

**Elena Garralda**, Spain, Chair EORTC

**Ryan B. Corcoran**, USA, Co-chair AACR

**Tim F. Greten**, USA, Co-chair NCI

# ENA 2026 Partnership

## Where connections are made

ENA puts **exhibitors and sponsors** at the **heart of every key networking moment**.

With **coffee breaks** and **lunches hosted** in the **exhibition and poster areas**, delegates naturally engage in frequent, **high-quality interactions**. Poster sessions attract leading researchers and spark discussions around the latest oncology advances.

Together, these moments ensure **strong visibility, continuous engagement**, and valuable **relationship-building** throughout ENA.

The official **Networking Reception** elevates this engagement even further, offering a relaxed and social atmosphere where relationships deepen and **new collaborations** take shape.

\*\* Newcomer Rate is for companies supporting ENA for the first time in 5 years and/or for small businesses/start-up companies up to 80 employees.

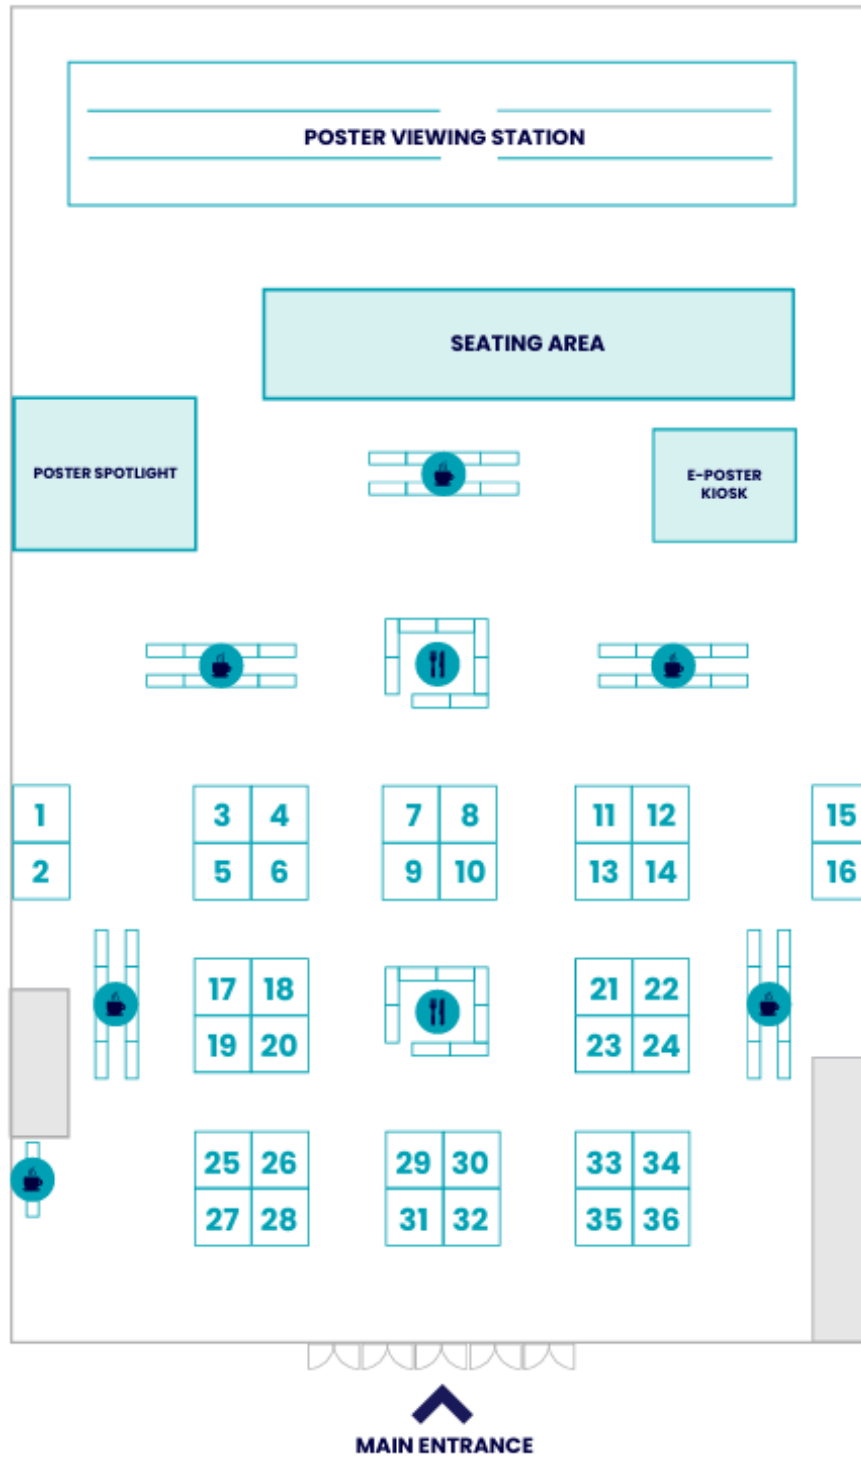

# Exhibition opportunities

- The minimum exhibition space is 9 sqm. Multiples of 9 sqm may be purchased to have a bigger booth.
- Space allocation will be made on a 'first come, first served' basis. A completed order form should be emailed to [ENA@eortc.org](mailto:ENA@eortc.org) to ensure reservation of a desired location.
- Booth package/space can be ordered until eight weeks before the symposium starts.
- The exhibition layout may change if a redesign is necessary due to organisational changes and/or to optimise the space, which might also change the booth numbers.
- Note that due to the strict European GDPR regulations we cannot provide any delegate lists. However, you may order a badge scanner to collect data of the delegates who have given approval during registration to share their data with exhibitors/sponsors.
- Please regularly consult the industry section on the event website for the exhibition manual, order forms and other important information.
- Extra exhibitor badges may be purchased at € 105 per badge.
- Newcomer rate is either for companies supporting ENA for the first time in five years or for small businesses/start-up companies up to 80 employees.

**All rates listed are excluding VAT.**

# Grants

The provision of Education Grants helps to provide the most appropriate setting for participants to learn about the latest developments in drug development, target selection and the impact of new discoveries in molecular biology by supporting the Symposium programme. The grants support the meeting facilities and operational activities, helping to provide the most appropriate setting for participants to acquire the latest knowledge and data, as well as networking and holding discussions with their peers. This is a major aid and advancement to the quality and impact of the scientific programme.

Candidates can be from any country and any profession. They must register for the ENA 2026 Symposium and must present their abstract at the meeting.

Your support will be acknowledged wherever relevant.

## YOUNG SCIENTIST GRANTS

**€ 8 000 for  
5 grants**

Travel grants will be made available to young scientists to facilitate their attendance at the ENA 2026 Symposium.

Young scientists will be able to apply for a maximum of 1 000 Euros, which will cover their travel during the event. To be eligible for the travel grant, an applicant must meet the following criteria:

- Applicants must be a MPhil/ PhD student or 1st year postdoctoral scientist.
- Applicants must submit an abstract as first author to the ENA 2026 Symposium and must have primarily conducted the research presented in the abstract. Candidates must apply for the grant at the time of abstract submission. Application is made via the online application form and only applicants with an accepted abstract will be considered.
- Candidates can be from any country and any profession. They must register for the ENA 2026 Symposium and must present their abstract at the meeting. The cost includes the administration fee.

## RESIDENT IN TRAINING GRANTS

**€ 8 000 for  
5 grants**

Travel grants will be made available to young residents in training to facilitate their attendance at the ENA 2026 Symposium.

Residents in training will be able to apply for a maximum of 1 000 Euros, which will cover their travel during the Symposium. To be eligible for the travel grant, an applicant must meet the following criteria:

- Applicants must be in training or out of training for no more than five years. Candidates who have had career disruptions are eligible, provided they are no more than 5 years full-time equivalent out of training. Training is defined as any clinical or post-graduate training.
- Applicants must submit an abstract as first author to the ENA 2026 Symposium and must have primarily conducted the research presented in the abstract. Candidates must apply for the grant at the time of abstract submission. Application is made via the online application form and only applicants with an accepted abstract will be considered.

# Meeting rooms

The ENA Symposium provides sponsors and exhibitors the opportunity to book onsite meeting space for internal meetings, offering a private environment for company stakeholders.

Only a limited number of meeting rooms are available at the congress centre and will be allocated on a first-come, first-served basis.
