

POSTER UPLOAD INSTRUCTIONS

The online poster viewing platform will be accessible onsite to all registered participants, in addition to the "physical" posterboards in the dedicated area of the Exhibition Hall.

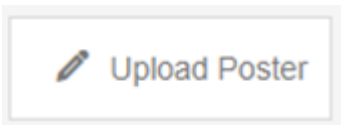

For the online poster viewing platform, please prepare a PDF version of your poster in PORTRAIT format.

- Please log in with your username & password in the ENA 2026 portal: https://cm.eortc.org/cmportal/portal/ena2026/normal

- Once you are in, click on the button "UPLOAD POSTER":

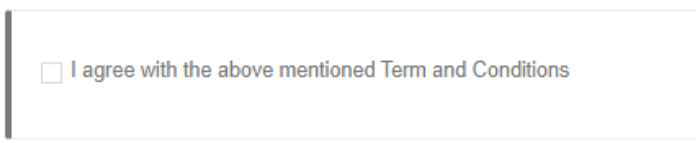

- In the overview that appears you will see your poster(s), click on "Upload Poster":

- Check your contact info and click "Next":

- Confirm your agreement with the Terms and conditions by ticking the box:

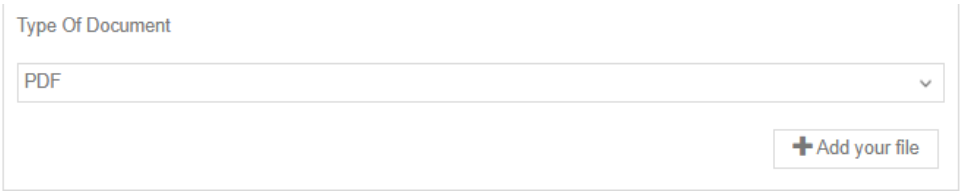

- Click “Next”

- Complete the Name/Title field in the advised format: *PosterNumber_LastName_A4*

- Upload your poster in PDF format by selecting “PDF” in the “Type of Document” dropdown menu and clicking on “Add your file:”

- Once you have uploaded your PDF, and you want to add an audio recording, select “Audio” in the “Type of Document” dropdown menu and click on “Add your file”. You will either be able to use the audio tool in the upload module or upload an audio file that you have prepared beforehand.

- Click “Next”:

- Click “SUBMIT” at the end to finalise your upload:

If you have more than one poster to upload, please go back to the ENA 2026 portal https://cm.eortc.org/cmportal/portal/ena2026/normal and repeat the steps.
